Last year, we were told to put refreshments or other items for meetings into this line item. These are all costs associated with the meetings with the Tribal members, EPA, PRPs and others. If we are allowed to put it back in to supplies then we will make those changes.

Thanks

Kelly

Hi Kelly,

This email duplicates my question to Kevin's email. Please identify the expense of \$500 in the "other" category.

Thank you

Jannine, here is the Simplot 2014 Application. Let me know if you need any additional documentation. We tried to match what was in our records for 2013.

Thanks
